Defendant Eddie Guerra is the Sheriff of the County Hidalgo. He is legally responsible for the overall operation of HCDC and each institution under its jurisdiction.

Defendant Captain Yonne Vasquez, is legally responsible for the operation of HCDC, Training & Development of all non medical and medical staff as well as the welfare of all the inmates in this jail.

Defendant Hidalgo County Detention Center for the responsibility of training, development, ethics, of all staff members. As well as the welfare of all inmates in that prison.

On July fifth of 2022 I was booked at HCCDC. no one explained to me how this worked. I was not given my phone calls. I was not explained in my native tongue Spanish. I did not know why I was being incarcerated. I asked many times to get someone to translate all the little information that was given to me but never did.

On the same date I told the guards in the pick up that I suffered from high blood pressure. All of A shift staff ignored me. It was until the C shift came on and saw that my arms were purple and called the Sgt and paramedics to my rescue. I was taken to McAllen Medical where I was for a week handcuffed hands and legs 24/7 a week.

Upon my arrival back at HCCDC I had a Drs visit about 2 week after my hospitalization DR ~~Harris~~ ^{Holmberg} saw me and asked me how the meds they were giving me were working. I looked at him and stated they were not giving me anything. He stated that the medical team had signed off as if they were giving me the medication. 07/29/22

The medical negligence of the HEDC medical staff nearly cost me my life. The COs should be trained in basic life help to inmates with health issues. The numerous violations of Human Rights here at HEDC are alarming. The Supervisors here do not seem to care and encourage the behaviors of their COs.

The plaintiff has no plain adequate, or complete remedy at law to redress the wrongs described herein. Plaintiff has been and will continue to be irreparably injured by the conduct of the defendants. Unless this court grants the declaratory and injunctive relief which plaintiff seeks

Wherefore, plaintiff respectfully prays that this court enter judgment granting plaintiff 10,000,000 dollars. Helping me help HEDC get back in the federal guidelines it is given. To help those whom also been affected by the carelessness of HEDC medical staff.
